

## Remembrance Bench Program

A personalized remembrance bench donation to Clary Gardens is a perfect way to honor a loved one or special occasion. Set in a serene and beautiful environment, your bench will provide a lasting gathering space for our visitors to enjoy time with family and friends or to rest and reflect. This vital tradition of generosity also provides invaluable support for the Garden's continuing growth.

- Benches are 4' long and locally made of recycled poly material in weathered wood color.
- Choose a location for your tribute from our Tribute Map (available at the garden).
- Each bench comes with a personalized plaque which may include the donor's name, honoree's name, and personal sentiment as space permits.
- All gifts to the Remembrance Program are acknowledged with cards of appreciation to the honored individual, their family or designated contact. Gift amounts remain confidential.
- You will receive an acknowledgement letter for tax purposes.
- Dedication plates are maintained for the life of the bench but benches are replaced only when damage beyond repair occurs within 3 years of installation.

Cost per bench is

**\$325.00**

Please contact Clary Gardens at  
740-22-6524 to establish a Remembrance Bench  
or complete the adjacent form and mail with your

check To: Clary Gardens
